Bulletin: All Dealers and Title Services

From: Business Licensing and Driver Instructional Services

Subject: Warehouse Temporary Closure for Annual Inventory

The Maryland Department of Transportation's Motor Vehicle Administration (MDOT MVA) would like to notify all Dealers and Title Services that the MDOT MVA Warehouse will be performing their annual inventory from June 21, 2021 through June 25, 2021. During this time the warehouse will be closed but will reopen on June 28th.

Orders received prior to the cutoff date of June 16, 2021 will be fulfilled if stock is available. Orders received after June 16th will be held until the reopening.

The temporary closing of the MDOT MVA Warehouse does not affect placing orders through the ERT support network, however shipments will not be released until the warehouse is reopened on June 28th.

Please plan accordingly, the warehouse will not be able to process orders after the inventory has started. If you have any questions, please contact us at mvaldisd@mdot.maryland.gov
